

County Seeks Custody Of 2 Killers

Enroute To Salt Lake City For Slayings Of Drenovac, Albert Reed

State's Atty. Dick H. Mudge Jr., armed with two murder warrants and accompanied by State Police Capt. Emil Toffant of Madison, left at 10:30 a.m. today by plane for Salt Lake City, Utah, with the hope of taking into custody two teenage thrill-killers who have admitted two murders in Madison county.

Mudge and Toffant told the Press-Record this morning they believe Madison county has the best case against the AWOL soldiers, James Douglas Latham, 19, of Mauriceville, Tex., and George Ronald Foy, 18, of Jacksonville, Fla. They were taken into custody Saturday near Grantsville, Utah, and have confessed several murders, including two last Thursday in Madison county, two assaults and six auto thefts.

"We feel that since the pair was arrested in the car taken from one of the Madison county victims that we have the best case against them," Mudge said today. He added that Sheriff George Musso and Quad-Cities Deputy William Thompson left for Salt Lake City by auto at 6 a.m. today and will return the killer-pair here later this week if they are to be prosecuted in Madison county.

"I don't know what cases have been built up against them in Florida and Colorado, but the pair is released to us," Sheriff Musso and Deputy Thompson will return with them," Mudge said.

Drenovac Funeral Today
Funeral services are being held this afternoon in Wood River for the local victim, Martin Drenovac, 69, of Rural Route One, who was brutally beaten and stabbed to death Thursday morning in his Twin Oaks service station on U. S. Highway 66 at the east approach to the Chain of Rocks canal bridge. His wallet containing about \$300 was stolen.

The death of Drenovac, a native of Vazette, Croatia, and operator of the Twin Oaks restaurant and motel since 1947, is believed to have followed the slaying of 36-year-old Albert E. Reed of Litchfield, an electronics repairman at the Venice yards of the Gulf, Mobile & Ohio railroad.

Reed's body, with a 38-caliber bullet hole behind the left ear, was found about 2:15 p.m. Thursday in a drainage ditch on the farm of Gerald M. Chapman on State Route 157 a short distance north of Petersburg.

Read Enroute To Work
County and state authorities believe Reed, who was enroute to work in Venice, was killed after picking up the pair as they were hitchhiking near Troy. Nearby, state troopers found a stolen auto belonging to John A. Whitaker of Tullahoma, Tenn., who had been shot and killed last Wednesday.

After shooting and robbing Reed, the pair took Reed's auto equipped with a two-way radio and apparently drove about 10 miles to Drenovac's restaurant, then beat, stabbed and robbed where they got gasoline and the local man.

Drenovac was found by his son, Sam, joint operator of the station, restaurant and motel, about 10:15 a.m. Thursday when a regular customer drove in for service and the older Drenovac failed to appear. The son discovered his father in a pool of

Merchants Going To Springfield To Fight Tax Boost

A delegation of about 100 retail merchants, restaurateurs and other businessmen and citizens opposed to higher sales taxes is being organized for a journey this afternoon to a state legislative hearing at Springfield.

Organized under auspices of the Associated Retailers, with Chamber of Commerce approval, the mass journey is intended to convey to legislators the strong opposition in this area to proposed state and city sales tax boosts. Increasing the present 3½-cent tax to 4½ cents on each sales dollar is under consideration.

Plans call for the group to assemble at 1:30 p.m. today in a parking lot at 18th street and Lamar avenue, where groupings in private cars will be arranged. A committee hearing on the tax increase is scheduled for 4 p.m. today, some of the local group will leave the hearing early to return here for regular store operations while others will remain longer.

Impact On Fringe Areas
The trip was planned in line with recommendations of the Illinois Retail Merchants' Association that backing be given to those legislators leading the fight against higher sales taxes. The proposed increases of a half-cent for the state treasury and a half-cent for municipalities are receiving strongest opposition from communities on the fringes of the state.

A bill to permit cities to raise the municipal sales tax from a half-cent to one cent, weathered a 17½-hour filibuster last week and was passed by the House, 80-60, today. It was amended to provide that part of the receipts in Chicago used to reduce real estate taxes. An amendment to require referendum approval was rejected. Rep. Harris voted favorably and Rep. Smith and Rep. Simon opposed the increase.

On House suspension of rules to advance a bill to increase state sales and use taxes to House second reading, bypassing customary reference to committee. Harris and Simon voted "Yes" and Smith "No." The bill then advanced with rules suspended, 93 to 76.

Deadline Thursday For GC Auto Stickers

Another reminder was issued today by Police Chief Raymond Willard that auto owners failing to display 1961-62 Illinois stickers will be subject to arrest starting on Thursday.

The \$3 windshield stickers became due May 1, the start of the city's new fiscal year, and are on sale in the office of City Clerk A. L. Stevens on the second floor at city hall.

Stevens' office is open daily from 8:30 a.m. to 5 p.m.

Building Boom Starts In City During May

110 Permits, 30 For Homes, Issued With Total Value \$671,100

New construction soared during the latter part of May to boost the value for the month to \$671,100 and the total value for the year to \$3,044,855 as compared to slightly less than \$2,000,000 in the same period of 1960 in Granite City.

A home building boom, with 30 dwelling construction permits valued at \$486,000, aided the totals for May and the year. The new houses are being built in the Cloverview, Park Estate, Glenview, Leaders Park Estates and Marshall school subdivisions.

During May, 110 permits were issued by City Building Inspector Earl Bloomquist and City Clerk W. J. Lueders. The total for the year 330, many of them in May for home improvement projects—62 with a construction value of \$38,054. Other permits last month include seven for commercial structures valued at \$78,438, an addition to Wilson grade school, \$35,000; 10 carports and garages, \$7716, and two house trailers on lots, \$8800.

New Dwellings
Obtaining permits for new homes during the last week of the month were Cooper Homes, for twelve \$14,950 aluminum siding houses along Cardinal avenue in Glenview; Henry Ross, contractor, four \$16,000 brick veneers with five rooms and bath in the 2500 block of Ponton road in Cloverview; Leo Wolf Co., three \$21,000 brick veneers with six rooms and bath in the 3100 block of Colgate place, Lueders Park Estates.

Kent Realty Co., two \$18,000 brick veneers with six rooms, bath and garage on Edgewood avenue in Dream Villa. Ray Campbell, four \$15,500 brick veneers with five rooms and bath in the 2500 block of Ponton road in Cloverview; Leo Wolf Co., three \$21,000 brick veneers with six rooms and bath at 2233 Lynch avenue.

Henry Ross, a \$19,000 brick veneer with six rooms, bath and garage at 2834 State street; Leo Wolf, a \$26,000 brick veneer duplex at 2826-28 Yale avenue; George Teller, an \$11,500 aluminum siding house with five rooms, bath and carport at 2811 Sunset drive; and Leroy Harshbarger, a \$10,000 brick with four rooms and bath at 2233 Lynch avenue.

New Shopping Center
A permit was issued to Bernadine Realty Co., Madison, for the Plaza shopping center, on Nameoki road at East 26th street, to cost \$40,700 and to contain about 7600 square feet of space.

Home improvement permits went to the following last week: Herschel Reinhardt, \$3600 for alterations and remodeling at 2213 Washington avenue; Dorothy VonGrueven, \$2000 for new porches and gutters at 2131 Cleveland Blvd.; August Feratid, \$1300 for general repairs at 2623 1/2 22nd street; Clyde Odell, \$1000 for general repairs at 2902 Denver street; Mrs. Eleanor Zimmer, \$500 for garage repairs at 2417 State street; Lester Grote, \$500 for a storage building at 2420 Illinois avenue; John J. Taylor, \$300 to convert a garage to living quarters at 3133 Jill avenue; and Beryl Forester, (Continued on Page 3, Col. 2)

An Editorial

A bill temporarily increasing the East Side Levee and Sanitary District's bonding limits needs strong and immediate support from local civic groups, businesses, industry, organized labor and service clubs, if it is to be passed before the state legislature adjourns. Earmarked for the vital Granite City sewer and drainage program, the increase is justified and should be approved.

The Press-Record generally has favored a referendum for issuance of bonds. But it should be noted that for many years, Quad-Cities have been paying a substantial share of the levee district taxes while major drainage improvements have been carried out in the St. Clair county portion. A stormwater system currently is being constructed in Madison and North Venice with the district's aid; by any standard, it is Granite City's turn next. With the bulk of the spending to date having benefited the East St. Louis area, and the Granite City program dependent upon levee district participation, it would seem inappropriate to insist on a referendum at this particular time.

While the bill omits any referendum provision, it limits the bonding power to 4½% of assessed valuation, compared to the present 2½%. And this would expire Dec. 31, 1962, a date chosen to enable bonds to be issued only as they are needed.

Mayor Davis says the drainage proposal "is the most vital program ever conceived for the benefit of Granite City, and it cannot be done without the help of the levee district. There can be no question of the importance to this community's future of the plan, which includes alleviation of surface water, separation of the storm and sanitary systems and the mandatory abatement of river pollution."

Time is short, and some opposition already has arisen. Favorable action is needed by the General Assembly, and soon. In the strongest terms, we urge all to write, wire, telephone State Rep. representatives Lloyd C. Harris, Ralph Smith, Paul Simon, Alan Dixon, Otto Miller Jr. and Frank Holten at the House of Representatives, Springfield, and Senators James O. Monroe Sr. and James Gray at the State Senate, Springfield, urging support of House Bills 1740 and 1741.

Levee of Long Lake Is Key To Pontoon Beach Drainage

(Pictures on page 12)
A stationary level for Long Lake would be the only solution to storm water drainage problems in low-lying Division street area of Pontoon Beach, the residents were told Thursday evening by officials of the East Side Levee and Sanitary District.

To maintain a uniform lake level, the levee district trustees, Lawrence Teller, John Molla and Thomas Renshaw, Engineers, and E. L. Kraemer, said the township should petition the Illinois Commerce Commission to require an additional drainage tie in the right-of-way which placed an additional \$62 in vicinity of Elm slough.

In the meantime, the levee district trustees said they are leading from the present drainage tie to Elm slough and the saw and sawdust mill.

The new drainage tie would ditch and sloped to and request larger tie under State Routes 52 and 150, which would carry the runoff will flow into Horseshoe Lake.

Request To Be Made
Harry Briggs, Nameoki township trustee, said he would advise the levee district when the ditch is clear of water and he has proper surveying. He added that the township attorney would request the CCC for a hearing in an effort to require the Illinois Terminal, Illinois Central and a Nickel Plate railroad to install an additional drainage tie.

The meeting, second to be held by the levee district trustees in three weeks, was at the town hall and was attended by 15 persons. The meeting was held in the township and levee district officials.

Engineer Kraemer said the Division street area will be aided materially if a proposed ditch in the Granite City master drainage program is constructed along the Alton & Southern Railroad tracks east of Cloverview to divert water to Horseshoe Lake.

Trustee Teller explained that legislation is pending in Springfield to permit the levee district to expand its bonding power expressly for the Granite City project.

Several residents called for an immediate solution.

Tie, Ditch Problems
They were told it would be impossible to install a drainage tie in the Division street area until the Division street to Long Lake since the fall is too gradual for the tie to be self-cleaning.

Distance Dialing To Begin Here This Fall

\$319,000 Improvement; Dialing To Include St. Louis, Edwardsville

Quad-City telephone customers will be able to dial their own long-distance calls beginning this when, when non-wireless distance dialing goes into operation here.

The announcement was made today by Roy Pelster, manager for the Southwestern Bell Telephone Co., who said introduction of the new dialing system will climax a \$319,000 telephone improvement program here.

Date for the changeover remains indefinite, but the company indicated that it will take no question of the importance of the project. The new dialing system is to be issued on Oct. 16, and distance dialing is expected to start about that time. It will go into effect simultaneously in East St. Louis.

End 4-Party Lines
The \$319,000 Quad-City project, most of it carried out in 1961, includes the distance dialing equipment at the Granite City telephone building and the cost of cable facilities used recently to bring about one-party and two-party service through-out the community. All four-party lines have now been eliminated here, Pelster said; they are not compatible with the distance dialing network.

Among the advantages will be that Quad-City will be able to dial directly to such areas as Edwardsville, Wood River, St. Louis and St. Louis county.

There will be no change in telephone rates as a result of the introduction of distance dialing. When the change is made, such as to Edwardsville or St. Louis from a Triangle telephone, the change will be recorded automatically.

Pelster gave this explanation of direct distance dialing. "The United States and Canada have been divided into more than 100 dialing areas, with each area assigned a special three-digit code number. A customer with 'DDD' dials the code and then the number he is calling.

"Dallas, Tex., for example, is in the 214 code area. If you dial to call Riverside 7-5311 in Dallas—after the system goes into effect here—you simply dial '214-R17-5311.'"

"This area, code 618, already is in effect; we are receiving direct distance dialing from other areas at the present time. For calls within the city limits, it is disregarded and only the last seven digits are dialed.

"You will have to dial to such towns as Edwardsville—and to all telephone numbers listed in the Illinois and St. Louis directories—simply by dialing the telephone number of two letters and five figures," Pelster said.

Books To Be Issued
Books explaining the new system and how it works will be sent to customers before the service is introduced this fall.

Pelster noted that direct distance dialing requires special equipment to record the necessary billing information on calls, since operators will not handle them.

Year's Toll 18 After 4 Die In Highway Crash

The Quad-Cities' 1961 traffic fatality toll stood at 18—12 ahead of this time last year—today after a weekend crash proved fatal to four persons.

Today's tally of 21 mishaps also includes eight non-fatal injuries. Four Edwardsville area residents were injured fatally and two others hurt seriously at 10:10 p.m. Friday when the westbound auto in which they were riding left its lane on By-pass 66 and struck a concrete abutment while crossing a rail road overpass near a scrap yard east of Sunset Hill and a mile and a half southwest of Edwardsville.

Three of the group were pronounced dead upon arrival at St. Elizabeth Hospital. The fourth brought here by ambulance. They were James Crump, 36, Maxwell road, Edwardsville; Mrs. Fannie L. Moore, 30, of 30 West street, Edwardsville; and Mrs. Paul (Margaret) Smith, 20, East Sherwood avenue, Edwardsville.

Wardell C. Bradley, 49, Box 16, Edwardsville, was transported from St. Elizabeth Hospital to St. Elizabeth Hospital.

pital to Homer G. Phillips Hospital, St. Louis, and died early Saturday. His injuries included skull and right leg fractures.

Those admitted to St. Elizabeth Hospital for treatment were the driver, Sammie Lee Delosh, 31, Flint, Mich., lacerations to the head, face and multiple cuts and bruises and injuries to head, jaw and right knee. A passenger, Mrs. Ruby Nell Johnson, 31, East St. Louis, right forearm fracture. Both are in fair condition today.

State police and Deputy Coroner Lesley Marks said the car was traveling at high speed and was stopped by a tree trunk, sliding 90 feet after the crash, with the passengers thrown out. The four were taken to Edwardsville funeral homes, and an inquest is planned.

At the funeral home, Albert Topal, 1618 Fourth street, Madison, narrowly escaped injury when the Delosh car passed them and cut in as a northbound truck approached. The Topals were returning here after visiting their mother in Edwardsville.

"They were already to the bridge when we came up a rise and saw a ball of fire, which my husband later said was their car," Mrs. Topal told the Press-Record. "The right side of the car was sheared off, and all were thrown out except the driver. My husband pulled him out of the car."

Two Hurt In Crash

Minor injuries were suffered by two women in an auto that was stopped for a traffic signal on Madison avenue at 23rd street yesterday evening, when the car was struck by another car.

Injured were the driver, Mary R. West, 19, of 2138 Washington avenue, and a passenger, Ann Foshee, 29, of 2138 Washington avenue. The two passengers were unhurt, according to the report.

Police said the northbound West auto was stopped and was struck by an auto driven north by Lee J. Kelly, 54, of 2729 Madison avenue, who said his brakes failed to function properly. He was charged with following too closely.

Leeve Bond Bids For Drainage Introduced

Reaches 2nd Reading In Ill. House; Support By Local Groups Urged

Legislation temporarily increasing East Side Levee and Sanitary district bonding powers—described as essential to the Granite City master drainage program—was introduced Friday in the Illinois House of Representatives and was placed on second reading the same day.

Advocates of local stormwater drainage improvement are urging organizations and individuals to contact their legislators and urge passage of the companion bills, House Bills 1740 and 1741. The proposed would increase—until Dec. 31, 1962—the district's bonding authority to 4½% of assessed valuation so that it can shoulder a larger portion of the drainage costs.

Action is being sought before the General Assembly adjourns in June 1961, and the advancement to second reading is regarded as a favorable sign. No objections were voiced to the action, which makes possible final action without reference to a committee.

It was indicated at Springfield that passage will be sought this week, followed by referral to the Illinois Senate for similar action.

Children Warned To Stay Clear of Foggers

Police Chief Raymond Willard today issued an appeal to parents to warn their children not to interfere with operations of the city's insect fogging vehicles.

Chief Willard said the machines are one-man operations and the operator must keep watch on the fogger as well as where he is driving the vehicle. "Youngsters have been running alongside and in front of the jeep, and we're asking parents to keep them away from the machines to prevent an accident," the chief said today.

Architect's Drawing Showing Proposed Change for Front of Building at 1918 Delmar Avenue, Being Remodeled by Ben Schermer Ace Hardware Co., Which Will Move Into the New Quarters When Extensive Interior and Exterior Remodeling is Completed in September.

The present front is being removed and is to be replaced with plate glass paneling 15 feet high and 40 feet wide. A glass brick facing flanks the glass area. A new customer entrance and loading dock is to be created at the rear, and shopping area is to be expanded to the basement and balcony with new stairs to be built. The present Schermer building, 1920 Delmar is to be razed to make way for drive-in banking facilities.

SIU Recommends For City Hall

This is the fourth in a series of articles based on a study of the city government in Granite City, conducted by Southern Illinois University at the request of the city council.

In concluding the detailed study of the office of mayor, the SIU staff recommends an improved message and follow-up of service requests to give the mayor or a better grasp of the problems and complaints being received and how they have been handled.

This work would be handled by the mayor's secretary and a switchboard operator. However, the city government experts recommend the installation of an automatic switchboard instead of the present manual type and relocation of it on the main floor lobby to serve as an information and reception center. The switchboard presently is located on the third floor in an anteroom of the mayor's office.

The report shows the mayor's suite consists of a reception room in which the telephone switchboard is located, the secretary's office, the mayor's office, and a conference room.

More Orderly Filing
The space is very adequate for the work of the mayor. It is not used to full advantage. There is not sufficient filing space nor have orderly files been developed. As a consequence, much of the material is stacked upon desks and tables.

"The mayor's secretary receives a salary of \$384 a month. She is appointed by the mayor and is responsible to him. The mayor's secretary has been in his office for 11 years. Under normal circumstances, it is estimated that approximately 75% of the secretary's time is spent on city business. The remainder is taken up with arranging the mayor's appointments and assisting in non-city activities.

"Some of the secretary's city activities include: typing letters for the mayor, councilmen and department heads; typing and reproducing the minutes of the council meetings from the city clerk's minute book; operating the city mimeograph machine located in the mayor's office for the various departments; answering the mayor's telephone and handling complaints addressed to the mayor; handling the mayor's correspondence; and

"This arrangement should be considered. The telephone company is expecting equipment to be available soon which will be adequate to serve Granite City but which will not require the use of the present 110 square feet of floor space now needed for dial installation.

"The dial unit for the new equipment can be rolled in and placed against the wall. The present soft drink stand in the lobby area could be glass-enclosed for the operator and information function. With the dial equipment, the operator could handle the mail and other cler-

ical operations such as stuffing envelopes, date-stamping sewer bills and similar activities which are not affected by frequent interruption. The telephone company does not recommend that the operator be given typing work as well.

Message System Needed
"The telephone system used by the telephone operator should be improved. A form should be used for giving calls to persons who were not in their offices.

"With the operator located in the main lobby, officials returning to their offices could pick up their call slips at the information desk.

"Another form should be developed for recording service requests from the public. The form in duplicate should have the caller's name, address and telephone number and a description of the request.

"A space would be provided for the operator to show to what official the complaint was given. The official would note action taken and sign the form. The operator would give the other copy to the mayor's secretary to be filed in a tickler file to be followed up in a week. The operating official would return his copy to the mayor's office upon handling the request.

"Such a procedure would eliminate messages becoming lost or forgotten for service in many cases. It would also give the mayor a word of mouth or on scraps of paper. It would also give the mayor a word of mouth or on scraps of paper. It would also give the mayor a word of mouth or on scraps of paper.

421 Calls A Day

"A recent check showed that the operator handled 421 calls on an average day. Of these calls, 228 or just over one-half originated inside the city hall and would not have required the attention of the operator if an automatic board had been installed.

"Since the switchboard operator can accomplish little useful work other than handling calls, the board requires the services of 1 1/2 full-time employees. The workday is seven hours, but the board is open eight hours, so a relief operator must be available for two hours per day. The switchboard operator receives a salary of \$361 per month.

"An automatic dial switchboard would have been much more beneficial to the city. All calls originating within the city hall to either another city department station or to an outside number would have been completed automatically. The operator would have handled only incoming calls. It would also have been desirable to locate the switchboard on the main floor where the operator could also have serviced an information desk.

"This arrangement should be considered. The telephone company is expecting equipment to be available soon which will be adequate to serve Granite City but which will not require the use of the present 110 square feet of floor space now needed for dial installation.

McCoid Named To Head Webelos Day At Camp

Appointment of Robert McCoid as chairman of the "Webelos Day" program July 1 at Camp Sunmen was announced today by Sigmond Frederick, a local Scoutmaster. McCoid received special training at the Philmont, N. H., scout camp in 1959, including how to conduct such an event for cub scouts 10½ years of age—the Webelos group. The program is being arranged to acquaint future Boy Scouts with scout summer camping.

NEED GUTTER REPAIRS CALL DOUGLAS, TR. 6-2988

Cities Studying Tax Rate Ruling; County In Crisis

Unless remedial legislation is passed before the state legislature adjourns June 30, Madison county faces a \$350,000 financial problem and local cities also may be affected by a new state supreme court ruling.

This is the view of county and city officials, who are studying the ruling. Based on a New York Center Railroad tax protest in Champaign county, the interpretation is that tax rate limits thought to have expired are still in effect.

State's Attorney Dick H. Mudge Jr. says, "There is no question but that the so-called formula of 1947 applies, and therefore the county tax rate for general fund purposes for 1961 will be a fraction less than six cents per \$100 valuation—instead of the 10-cent rate extended for the past year—unless the state legislature should make some change in the state revenue article as applying to local taxation."

Asks Reduced Spending

Forecasting a financial crisis due to the court ruling, County Auditor John L. Kravynak said for a curtailment of committee meetings and other spending by departments of the county government.

City Attorney William Beatty of Granite City, Corporation Counsel Austin Lewis of Madison and Venice City Attorney Harry E. Hartman currently are reviewing the Champaign case and their cities' tax rates to determine whether city taxation must be altered.

The attorneys' findings will affect budgets and tax levies which are in the planning stages in the three cities, Lewis said. He may seek a conference between the attorneys on feasibility of joint action to seek a remedy.

Court Opinion

In an opinion on May 19, the Illinois supreme court upheld the Champaign county court in an appeal case centering on validity of 1951 tax rate ceilings which grew out of 1947 assessment laws enacted in 1945.

In 1951, the power to set rate limits was taken from the legislature and placed in the hands of local governments at levels existing, or at lower or higher levels approved by voters.

Effect of the court decision is that the laws passed 10 years ago still control local property tax rate ceilings. The Champaign county treasurer had contended that the ceilings should be those established in 1945; rates were halved then to offset sharp increases in taxing power afforded by 100% assessments.

1947 Formula Still Effective

Madison county and other counties have been setting their rates for general purposes at a higher level, considered permissible in the belief that a 1947 formula restricting tax limits had expired in 1953, and that subsequent acts of the legislature repealed the formula. The court now says that the formula remains in effect.

In a letter to members of the Madison county Board of Supervisors, Auditor Kravynak said that in the "supreme court decision on the Champaign county tax rate case, the decision was adverse to general county revenue tax rates exceeding the Hodge-Butler limitation of a few years ago."

"To Madison county that means we must not exceed the rate of 5.67 cents per \$100 assessed valuation. Our total tax valuation is \$790,000,000. We have extended a rate of 10 cents this fiscal year for an expected tax revenue of \$790,000."

5.67 Rate Limit

"But at the legal rate, according to the supreme court decision, we stand to lose tax revenue of \$344,000, based on the legal rate of 5.67 cents. Thus, our financial position is in a perilous condition, for we have no means of making up the \$344,000 loss."

"What does this mean? It means simply that we must curtail and pare down our operations. It means that only absolute and necessary spending will be condoned. It means that we are

Coities Elect House As State Grand Commander

Harvey House of Granite City was named to the top office of grand commander in the Military Order of Coities for the state of Illinois during the annual convention held in Rockford, Ill., Thursday and Friday.

An honor degree in the MOC, affiliated with the Veterans of Foreign Wars organization, can only be gained through recognition of an outstanding act or service. With a national membership of approximately 25,000, the honorary group is active in entertaining and visiting hospitalized veterans.

During the past year, \$250,000 in gifts and services were distributed to patients in Illinois by the Coities' 2000 state members.

The new state commander resides with his family at 2217 Cleveland blvd.

An exhibit of prize-winning student art work will be displayed during Southern Illinois University's Southernwestern summer commencement exercises at 7 p.m. Thursday at Edwardsville.

The exhibit will consist of about 100 artworks selected from the recently held art fair. In addition there will be display of plans and sketches of trained in the five-story plastic dome which was recently used in downtown East St. Louis as an EPEC seminar. Held in the dome, the event of rain. Students graduating will be from East St. Louis and Alton centers, and the second annual ceremony will mark the first time in which a majority of graduates completed all studies at the centers.

6 From VFW Auxiliary Attend State Convention

Six delegates of Veterans of Foreign Wars Post 1200 and Auxiliary attended the three-day state convention at Rockford which ended yesterday.

Attending were Joseph Steele, VFW commander Magnus Leisner and Charles Schneider; and Mrs. Cleo Schenke, Auxiliary president. Mrs. Irene Steele and Mrs. Rita Hart.

New state commander elected during the convention is Arthur J. Miller, Chicago and Mrs. Alice Mae Plum, Chicago, new Auxiliary president.

A Junior Girls' unit sponsored by the local Auxiliary was the only one organized in the state this year and will be presented a white bible at the national convention.

Judy Lou Jakich Wins VFW Baton Contest

Judy Lou Jakich, 11-year-old daughter of Mr. and Mrs. Lou Jakich, 1408 W. Washington avenue, was named Illinois Veterans of Foreign Wars 1961 juvenile baton-twirling champion this weekend.

The contest was held in conjunction with the VFW state convention at Rockford.

On Sunday she appeared aboard the Steamer Admiral as a baton soloist and also performed with the Police Indiana Junior baton twirling corps.

She was accompanied by a financial crisis that must be met with sharp economy measures.

**MORE ABOUT
Level Of
Long Lake**
(Continued from Page 1)

"Maintenance would be too great a problem under those conditions," the engineer pointed out.

He explained that to reconstruct the ditch would require it to be four feet deep and 18 feet wide at the top for a distance of 400 to 500 feet. "That would take the entire roadway, and also provide a hazard."

Engineer Kraemer outlined the only solution is to keep the level of the lake stationary in order to provide a proper runoff. He explained that when the lake rises during a heavy rainstorm, it cuts off the flow from existing drainage tile and ditches until it returns to the level set by the existing outlet tiles under the railroad tracks.

By increasing the capacity of these tiles, the runoff will be faster from the lake and the drainage tile and ditches would be able to function properly," the engineer said.

Concern was expressed by a representative of KMOX radio station with a tower and building near Elm Slough. "Our property is low and we don't want to be flooded," he told the officials.

Engineer Kraemer said the survey of the ditch leading to Elm Slough should provide the answer to that problem.

Several persons with property along Long Lake asked the local board officials if they would dredge the lake which they said has been silting due to runoff from fields and because of the state highway department dumping considerable fill at the Porton road crossing.

Tolar and Kraemer advised them the lake was privately owned and the levee district was unable to do any dredging on private property.

Man Stabbed In Arm At House, Hospitalized

Paul Self, 35-year-old Granite City, suffered a deep stab wound in the upper left arm at 6:40 a.m. Saturday at the home of Mrs. Mary Baumgartner, 2470 N. Maple street, at the intersection of N. Maple street and N. 24th street, an investigation by Granite City police showed.

Emergency treatment at St. Elizabeth Hospital for the wound and profuse bleeding, he was transferred to a St. Louis hospital for further treatment. He gave his address as 2116 Iowa street. Police also listed addresses on East 24th street and on Cleveland blvd.

Officers said Self apparently was stabbed by a woman residing in the 2100 block of East 24th street. The type of weapon was not reported. No charge was filed at the time.

Self was taken to the hospital by St. Louis police.

Coast Guard Cites

Dangerous Area On Mississippi

The office of the Second
Coast Guard district in St. Louis
today issued a warning to
operators of small craft that
extremely hazardous conditions
will exist for the next year in
the vicinity of the Chain of
Rocks low water dam now under
construction across the Mississippi
river immediately downstream
from the Chain of Rocks river
bridge.

The Coast Guard and Army
Corps of Engineers, which is
constructing the dam, urge
operators of small craft passing
through this section of the river
to make use of the Chain of
Rocks river bridge downstream
to the end of a stone re-
vetment on the Illinois shore,
2000 feet downstream. "The in-
creased number of work vessels
and the dangerous currents
caused by this dam building
project create hazardous conditions
for the small craft," a
Coast Guard spokesman said.

The number of vessels in the
floating plant being used to
build the dam will increase
during the coming year's construction, the Coast Guard said.
Barges and derricks often
are moored with anchors and
cables to hold them in place
against swift currents, and the
cables are tautly stretched just
below the water's surface.
The Coast Guard also has ad-
vised boaters that complete ob-
struction of the Mississippi at
this point may occur at times
during construction of the dam,
purpose of which includes rais-
ing the level of water in the
Chain of Rocks canal. Hydraulic
effects caused by construction
will present an added hazard.

District Tennis Entries

Will Close Tomorrow

Entries for the St. Louis dis-
trict junior tennis championships
will close tomorrow. The
tournament will be played at the
Washington University courts
June 17-20.
There are classifications for
doubles and singles in both boys'
and girls' 18 and under, 15 and
under and 13 and under. Entry
fees of \$3 for singles and \$2 for
doubles should be mailed to Mar-
vin Clark, 321 North 14th street,
St. Louis. Additional information
on the tourney may be obtained
by calling Mrs. Ralph Smith at
EXpress 7-2681.

Summer Judo Course

Will Open Thursday

Judo instruction for the 8-to-
15 age group will begin Thurs-
day as part of the YMCA sum-
mer boys' program. Registration
will take place at 10 a.m. that
day, when an orientation session
will be held.
The six-week course will be
given by Robert Whelan. All
judo attire will be furnished, and
tears will be awarded to those
completing the course; they
also will become eligible for
membership in the local Judo club.

THINGS HAVE CHANGED rapidly since this view of the Tr-City Speedway was made late last week. The track will open Tuesday night with 11 stock car races, including a 40-lap feature race to super modified cars. In the foreground is the straight-a-way for a half-mile track which will be opened later this summer for midget auto racing. A quarter-mile track which will be used tomorrow night has inside the larger oval. Electricians are shown installing wiring for lighting and the public address system. Behind them are the track's permanent bleachers, which seat 3400. The track is located on Route Three near the Bowland lanes.

Kellys Run Win Streak To 4 Straight

Paced by a tight defense and
the shugging of Angie Unger and
Alice Kelly, the rampaging Kelly
Girls of Venice waited to see
an easy 15-0 victory over Maryville
Thursday night in a Girl's Twi-
ght Softball league game played
at Lee Park in Venice.
The win boosted the first-place
Kelly squad to 4-0 in the Twi-
ght loop and 6-2 overall. Pop
Meyer's club leads second-place
Collinsville by one full game.
Joan Maserang and Joan Tur-
plano combined pitching efforts
to blank visiting Maryville. Miss
Maserang twirled the first four
innings and was credited with
the victory. Rain fell lightly
throughout the contest, which
was called at the end of six
innings.

The Kelly squad scored a single
run in the first, and then
used the bunt to good advantage
in an eight-run third frame
which broke things open. Alice
Kelly had a long triple and Angie
Unger three hits to pace the
winners.
On Thursday night, the Kelly
Girls will host Alorton at Lee
Park in another Twilight league
contest. Game time is 8 o'clock.
On Friday night at Caronde-
let Park in St. Louis, Kelly's
white-washed the Shamrocks
1 in a game that went only five
innings.

Sandy Kinas was the winning
pitcher. With Rosemary Arch-
angel behind the plate, Kelly's
got 13 hits off loser Jeanette
Schultz. The Shamrocks scored
their lone tally in the first,
while the winners counted at
least once in each frame.

Jaycees' Track

Meet To Be Held

At GCHS Field

Location of the Granite City
Jaycees' Junior Sports Jambo-
ree has been changed to the
Granite City high school athletic
field. Events Chairman Phil
Hogan said today.

The track and field meet, for
boys and girls 10 to 15 years of
age as of Aug. 18 will be held
next Thursday, June 15, begin-
ning at 5:30 p.m. Hogan said
entries will be accepted begin-
ning at 4:30 p.m. the day of the
meet.

Contestants will be divided
into three age groups — midget
(10-11), junior (12-13) and in-
termediate (14-15), with division
winners becoming eligible to
participate in sectionals, and the
winners there going on to the
Jaycee state finals at Cham-
paign Aug. 18.

The track meet is being
sponsored in cooperation with
the Granite City park district.
Events will include 25, 50, 75
and 100-yard dashes, 220 and
400-yard relays, broad jump,
high jump and baseball throw
for distance.

Three Contests In

Teen Loop Wednesday

Three games are scheduled
Wednesday night at the Wilson
Park softball diamond in the
Senior Teenage league.
At 6:30, Sacred Heart will play
the YMCA, followed by a 7:35
game between Bowland and
Rosa Gold chapter. The windup
game at 8:40 matches Rick's
Market against Rosa Black
chapter.

Plans Made For Rotary

Horse Show Aug. 26

Plans for the Granite City
Rotary club's third annual All-
Western Horse Show Saturday
evening, Aug. 26, were made at
a committee meeting this week
at the residence of Beryl Moody,
Buck road, Glen Carbon. Other
Rotarians in attendance were
Dean Maberry, president, Ed
Menz, resident-elect, and Jerry
Broadway, Ray Rutter and E.
D. Kincaid.

The location selected, the
Speedway on Route Three, is
slated for completion in June. It
will have over 5400 seats avail-
able in newly-constructed grand-
stands.

Numerous concession stands
and restrooms are located in the
grandstand area, and parking
facilities to handle capacity
crowds are situated on the
grounds.

Loren Davis, chairman of the
Horse Show program committee,
said today that advertising sales
will start next week.

Proceeds obtained from the
show will be used by the club in
its charity and civic development
program.

Hearts Pound Carpenter Mercer Edges Glassmen

Merced 12, McAtee 11
Sacred Heart 9, Carpenter 2
Collinsville 9, Moore 9
Pocahontas 10, White City 9
(12 innings)
Troy 24, Maryville 13

Sacred Heart broke out of the big bats and Mercer's Fund Home continued to take advantage of the breaks as both Granite City members of the Inter-City Baseball league came up with victories yesterday.

The Hearts backed up Pitches John Rains with a solid 10-hit attack which included four extra-base blows as they trimmed Carpenter 9-2 on the losers' diamond, while Mercer won a sea-saw struggle with McAtee 12-11 at Wilson Park, 12-11.

Moose Club Toppled

Biggest news in the league Sunday was Collinsville's 9-0 whitewash of the previously unbeaten Moose Lodge of East St. Louis. The Boosters snapped seven-game M-L streak winning streak and moved to within a game of the Red division leaders.

Pocahontas clipped White City 10-9 in extra innings to move within one game of the third place club in the Blue division and Sunday's full schedule was completed with Troy's 24-13 demolition of Maryville, the sixth straight loss for the Red Sox.

Merced and McAtee, not deadlocked in a virtual tie for first place in the Blue loop, battled on even terms for eight innings, and the Glassmen took 11-10 lead in the ninth.

Dillard's Hit Wipe It But Catcher Rudy Dick got the Mercer rally started off the home half of the ninth by getting noticed by a pitch.

Don Crabtree followed with pinch-hit single, John Modruck singled and Jerry Farnley walked to force in a run. Don Dillard came through with a game-winning hit off reliever Clyde Blank.

Dick Portell, working in relief of Starter Jack Bueche, was the winner. He, Farnley and Rich Branding each had three hits for Mercer, which had as a club.

Price Homers The Hearts had two big innings at Carpenter. Larry Dillard cracked out a bases-loaded triple in the third and scored on a throwing error in the outfield.

Bob Price made it 5-0 when connected for a round-tripper. Rains singled in a lone tally in the seventh, and in the ninth an error, fielder's choice and single set the stage for Grant Talmajian's base-clearing double.

Rains' victory was his third of the season, and matches the total number of wins for the Hearts. He gave up seven hits and walked only one.

Win Exhibition In an exhibition game Saturday night, the Hearts clipped the Ironworkers of the Blue Johnson league in Collinsville 14-11 as Howard Etherton drove in five runs with a bases-loaded single, a three-run homer and a double.

Dan Narup and Talmajian split pitching chores as the Hearts handed the Ironworkers their first loss of the spring.

blood in the garage section of the service station.

His mother, Mrs. Ethel Drenovac, had seen another car at the gas pumps a short time earlier, and it is believed her husband was killed between 9:45 and 10:15 a.m.

County and state authorities were still investigating the Drenovac murder-robbery when at 2:15 p.m. they were notified of Reed's body being found in the drainage ditch on the Chapman farm.

Chapman's nine-year-old son, Gerald, told authorities it was about 9:30 when he looked out of the window of his home and down a narrow roadway toward a small bridge over the ditch.

The boy, who set his time by television program he had seen watching, saw a dark-colored car, which a few minutes later turned around and headed toward the road toward Route 157, which also is Bypass 40.

Following a rain Thursday afternoon, the boy's father went to investigate and found Reed's body in the ditch a few feet from the bridge. Authorities said they learned from Reed's family he had left home with a stolen car.

He was charged with the murder of a woman and had his wallet and keys in his pocket when pulled from the ditch.

Reed's body was taken in the fatal beating. Upon robbing and killing him, it is believed he was driving the car.

On May 27 after fleeing a special police detachment at Port Hood, Tex., fled over the Chain of Rocks bridge.

Drenovac formerly operated grocery stores in Wood River and Hartford for 27 years before moving here. His home was adjacent to the service station and restaurant buildings.

He came to the United States in 1930 and for a while served as an interpreter with Ford Motor Co. at Detroit. He was a member of the Hartford Chamber of Commerce, Plasa Council of Boy Scouts and was active in Democratic Party circles.

In addition to his wife and son, Drenovac is survived by a daughter, Mrs. M. H. Drenovac, who is a teacher at Marshall school here, and two grandchildren.

Services were held at 2 p.m. today at a Wood River funeral home and burial took place at Calvary Cemetery, Edwardsville.

The captured pair is being held currently on a federal car theft warrant, and when arrested at a roadblock near Granite City had two guns in the glove compartment of Reed's auto.

Federal authorities said one pilot, a .38 caliber had eight notches cut in the wooden handle of the other, a .22 caliber, had belonged to Reed.

The FBI reported yesterday the killers admitted striking Edward J. Guidroz at New Roads, La., with a wrench in a robbery attempt on May 27, two days after they had "walked away" from Ft. Hood. It is believed Guidroz, who survived, accounted for the eighth notch on the gun.

On May 29, the two men strangled two Valdosta, Ga. women to death near Jacksonville, Fla. The victims, Mrs. Althea Ottavio, 43, and Mrs. Patricia Ann Hewitt, 25, were found nine days later. The .38 pistol was taken from their car and authorities believe the women were robbed of winnings from dog track races.

Whitaker, 71, a railroad porter, was shot and killed with the revolver and he was robbed of his money and car. A truck stolen in Louisiana was found near Whitaker's body, and his car was found near Troy.

Reed and Drenovac were killed last Thursday, and on Friday, the pair said they shot and killed Otto Ziegler, 62, a master for Union Pacific Railroad, in a robbery near Wallace, Kan.

Phillips' One-Hitter Gives Granite City Split With Springfield Nine Saturday

(Continued from Page 1)

Year's Toll 18

(Continued from Page 1)

A near-perfect pitching effort by Joe Phillips gave Granite City's Class AA softball club a split with the Elliot Avenue Baptist team in Springfield Saturday night.

Granite City outbatted its hosts but booted away a 6-3 decision. Then Phillips came on in the eighth and—but for a second-inning bunt single on which the call at first base was disputed—would have pitched a perfect game.

Granite City collected 24 hits in a 21-0 runaway, boosting the club's record in its first season to 8-7.

Don Vasconcellos tossed a six-inning shutout for Granite City. Loe Six gave up only five hits but failed to receive enough support in the field.

Jerry Farnley had two hits and Borchers a double to lead the losers.

Champion Homers Granite City scored at least two runs in each of the first five innings while Phillips went sailing along toward a shutout.

The local club capped its hitting and scoring spree with a nine-run eighth inning, highlighted by Conrad Champion's 260-foot homer.

Everybody in the lineup collected at least one hit, and lead-off batter Ron Dillard had a 5-for-5 night. Champion, with four hits, including his home run, added to the extra-base barrage were Jake Hinterser with a triple and Dillard, Norm Grubbs and Al Kutner with doubles.

Phillips struck out nine, including the side in the fourth inning.

Granite City goes for its second victory in the Fox Park league Wednesday at 9 p.m. against the league-leading Thurmets.

Disturbance Arrest Freeman Thomason was charged with peace disturbance on a warrant by Shirley O'Connor at 2:10 a.m. Saturday after police were called to 2108 Delmar avenue. Pleading innocent, he was released on bond until a hearing Friday.

Reckless Homicide Verdict On Man Killed By Auto A reckless homicide verdict was reached by a coroner's jury Friday night when it was inquest in the death of William I. Coffman, 83, May 24 after he was struck by an auto backing into a car parked in lot in the 2000 block of Illinois avenue.

Deputy Coroner Henry Pieper presided. Coffman died of crushing injuries to the chest and internal injuries.

The jury recommended that Roy Hughes, 53, of 2516 Circle Drive, who was charged with reckless homicide and leaving the scene following the fatal accident, be held for action of the county grand jury.

Pieper said Hughes is to appear at a preliminary hearing in 10 days to answer the charges. He is free on \$7500 bond.

Testimony was heard from Police Chief Raymond Willard, who said Hughes at first denied driving the car but later admitted it.

Willard, who had interviewed numerous persons, said a witness informed him he had seen Hughes driving the sedan.

Hughes told the jury he had been drinking for over five days prior to the mishap. He said he had "panicked" and left the scene.

Msgr. Costello, Parish Given Papal Blessing In recognition of his 50 years as a priest and investiture as a Monsignor, Rt. Rev. Msgr. Michael Costello and Sacred Heart parish have received a personal blessing from Pope John XXIII.

Occasion of the Papal Blessing is the formal investing Wednesday of the monsignorial robes upon Msgr. Costello by Most Rev. William A. O'Connor, Bishop of Springfield, and the making of his golden jubilee.

In addition to a morning Solemn High Mass and evening Benediction of the Blessed Sacrament, two receptions will be held during the day. At 11 a.m. Msgr. Costello will celebrate the Mass and will receive the robes from the bishop.

At 1:15 p.m. a dinner will be held for visiting clergy. The bishop and the guest of honor will speak.

During the day, Rev. Maurice Quilligan, an assistant at St. Patrick's Church, Decatur, and a former Granite City, will serve in an official capacity.

Following the 7 p.m. benediction, a reception for parishioners and the general public will be given. It will begin at 7:30 and include the presentation of a purse to Msgr. Costello.

Rev. James Casey, pastor of Forty Martyrs' Church, Tuscola, Ill., will be master of ceremonies in the evening. Speaking will be Attorney Horace Calvo.

JOE PHILLIPS, who came within one bunt single of pitching a perfect softball game Saturday in Class AA competition against the Elliot Avenue Baptists of Springfield, Granite City split a doubleheader with the host club.

Madison Baptists Maintain Lead In Slow Pitch Loop

Madison Baptist maintained its lead in the Church Slow Pitch Softball league Friday night by edging Community Heights 3-4 at Wilson Park.

The winners were out eight 8-5 but put together a good third inning when they scored four runs off loser Dave Wilson.

Frank Eaves, who allowed eight hits, was the winning pitcher.

In the first game, Bethel Community ran off over Good Shepherd 27-3, collecting 21 hits off two pitchers.

Washington rallied with four runs in the sixth. Steve Hordecky was the winner, with Rudy Starwes the Washington catcher.

Gene McMurry took the loss, with Al Cavins behind the plate. Chuck Outland homered for Sportsman's, and Chet Miller had three hits, one a triple. Don Mariette led the winners with three safeties.

Millie & Mickey's won over Cotton's 9-3. The winner was Harold Sabo, whose batterymate, George Grimm, pounded a homer.

Teammate Charles Sabo had three hits. Bob Barr was the loser, with Bud Grimes catching.

Home of the Blues won on a forfeit over Tubby's.

Bowland Gets Help, Moves Ahead In Tavern Loop

With the help of Washington Tavern and Polio's Bar, Bowland put more daylight between itself and the chief competition in the Tavern Slow Pitch Softball league yesterday.

Bowland made it eight straight wins with an eight-inning 4-3 squander over Club Delmar, while second-place Sportsman's Club was being upset by Washington Tavern 8-4 and third-place Jug's Hideaway was becoming a 13-8 victim of Polio's Bar.

Gus Lignoul drove in the winning run for Bowland. He Pete Burdge and Carl Harrison all had three hits. Paul Thompson and Sonny Miloski made up the winning battery.

Lenny Puchi was the loser, with Bill Seago behind the plate. Frank Scarsdale paced Club Delmar with a triple, double and single.

Polio's Bar beat Jug's despite a home run by the losers' Norm Meyer. Stan Servatka was the winner and Oren Harrison the loser.

Batterymates were Bernie Denison and Bob Morris. John Modruck and Bob Parr divided seven hits for the winners.

Washington rallied with four runs in the sixth. Steve Hordecky was the winner, with Rudy Starwes the Washington catcher.

Gene McMurry took the loss, with Al Cavins behind the plate. Chuck Outland homered for Sportsman's, and Chet Miller had three hits, one a triple. Don Mariette led the winners with three safeties.

Millie & Mickey's won over Cotton's 9-3. The winner was Harold Sabo, whose batterymate, George Grimm, pounded a homer.

Teammate Charles Sabo had three hits. Bob Barr was the loser, with Bud Grimes catching.

Home of the Blues won on a forfeit over Tubby's.

Mank Hurls Spengler Squad Into First Place In Class 'B' League

Behind the pitching of Evans Mank, Spengler's squad emerged as a clear-cut leader among the eight teams in the park district's Class "B" Softball league over the weekend.

Mank tossed a 1-0 one-hitter for Spengler Thursday over GC Steel Credit Union and came back two nights later with a two hit 1-0 shutout against the Graniters.

Spengler got a big assist from Moose Club 272, which knocked Club Delmar from the unbeaten ranks in Saturday's second game, 7-2.

Kenny Mitchell started for the Graniters and was relieved by Don Buckingham in the fifth. Wait Wilson was Mank's batterymate, while Ron Smoltz caught for the Graniters.

Moose winner Neal Melton blanked Club Delmar until the sixth.

Melton's winning effort was a two-hitter. Rich Briggs was behind the plate for the Moose. Jack Kipatich was the losing pitcher, with Jerry Tag his batterymate.

Perfect Control Mank turned in as near perfect a game as has been pitched so far this spring in any of the park district leagues. The Spengler Insurance hurler allowed just one single and did not issue a single base on balls.

The Spengler defense gave him good backing, playing errorless softball with the result that he faced only 22 batters.

Carroll Gilliam of the Credit Union pitched a creditable ballgame, allowing just seven hits, but had the misfortune to run up against Mank on a "right" night. Spengler scored the only run of the game in the top of the fifth inning.

Wait Wilson was Mank's batterymate, while Jim Reiter did the catching for the Credit Union.

On Thursday's second game, Club Delmar kept pace with Spengler by whipping Modern Furnace 11-2 on only six hits.

Carroll Tingley turned in another fine mound performance by shutting out the losers in all but the fourth inning.

His teammates got enough to win — four runs — in the first inning off loser Jerry Veloski. Ott Peacher formed the other half of the winners' battery. Rudy Diak wore the equipment for Modern Furnace.

City Making Good Start On Carrying Out Reorganization

City council enactment of Southern Illinois University recommendations to revamp meetings and consolidate committees is an encouraging sign, along with the mayor's plans to prepare meeting agendas. Granite City officials are off to a good start in their response to the administrative study and report; they are avoiding any tendency to oppose the proposals merely because they involve change.

Prepared by the Southwestern Campus Metropolitan Affairs Program staff at the city's request and expense, the reorganization and operations analysis is intended to "sharpen responsibility and illuminate accountability" so that citizens can better understand and judge the conduct of their city government. This is important to effective functioning of the municipality. Worthy as such a goal is, the report not only achieves it but surpasses it; running throughout the long document is a wholesome, fresh, objective and expert appraisal of the city's methods of coping with present and future conditions.

As council members continue their perusal, they probably will find other suggestions with which they concur and a few where there is disagreement. But if they continue to consider them with an open mind and a real desire to modernize and simplify, much progress can be made. The start has been a good one.

Chance For State To Ease Crisis Caused By Tax Rate Court Ruling

An Illinois Supreme Court ruling last month, extending a 1951 formula on tax rate limits, has created a potential financial crisis for the Madison county government and also may adversely affect local cities, partly taxing bodies elsewhere in the state. We urge remedial legislative action before the June 30 adjournment, with limits set at a level close to those believed to have been in effect for the past decade.

The hardship could be severe in Madison county, which was levying a 5.67-cent rate for general purposes in 1951 but has since advanced to

the 18-cent level. Because it operated more economically than some other counties, the local county would be penalized now; its yearly revenue decrease is estimated at \$350,000.

Not only is this disparity totally lacking in uniformity; current application of a ten-year-old formula fails to take into account the expanded services, population and cost. The result could well be financial chaos for countless governmental agencies throughout Illinois.

When the full impact of the ruling becomes known, a loud outcry is expected, but by then it may be too late for General Assembly action this year. A prompt study of the impact, followed by emergency state action, is in order.

People Of All Faiths

To Honor Msgr. Costello

Held in high regard by people of all faiths, Rt. Rev. Msgr. Michael Costello will be honored by all segments of the community Wednesday on the occasion of his ordination golden jubilee and his investiture with monsignorial robes.

Pastor of the St. Elizabeth parish for two years and of the Sacred Heart parish for the past 37 years, Msgr. Costello has served long and well, earning the high honors to which he is now being promoted. Many citizens join in wishing him many more years of active service to the Catholic church and the public generally.

Trend To Wider Display, Respect For U. S. Flag

Efforts to transform Venice into a "city of flags" by Flag Day June 14 reflect a commendable trend toward increased respect for and display of the United States flag. On appropriate occasions, as many as 18 a year, 50-star banners blossom forth at many Quad-City homes as well as public buildings and business places.

As the symbol of the nation and the fight for freedom that created this country, the "stars and stripes" merit the emphasis that is being given. Widespread display of the flag can aid in keeping American beliefs and basic goals uppermost in the minds of all, preserving the "nation under God, indivisible, with liberty and justice for all."

THE PASTOR SPEAKS

by Rev. Paul A. Evans
First Assembly Of God Church

Many centuries ago an unlearned fisherman spoke words concerning the future, "The heavens being on fire shall be dissolved, and the elements shall melt with a fervent heat!"

Since these words were spoken there have come the scholars of Greece and Rome, Ptolemy's theory of the solar system has been upended by Copernicus, Newton's brilliant discovery into the sciences which have ever intrigued men, steam power and the industrial age have come and become static and the first half of the twentieth century has brought more change than the accumulated technical development of all the ages.

In the living present, the "Music Goes Round and Round" and by 1956 we were all going round adding to your household vocabulary such words as nucleus, protons, electrons, isotopes, fission, fusion and chain-reaction. This being interpreted means we are all going to be just about the time we are adjusted to living on a powder keg a nation of sub-moral aggressionists started striking matches. Consequently our language gained such idioms as cold-war, co-existence, dialogue, and yo yo (which means the communists have a strike and will have active jobs devoted to use such paradoxical titles as, "The War Called Peace" and we are all accused of, running scared."

St. Elizabeth's School Bid Opening June 16

Bids for construction of a six-classroom addition at St. Elizabeth's school, 2300 Pontoon road, will be opened June 16 at the Diocesan office, Springfield.

Cost of the project is estimated at \$155,000, according to Architects Gabriel and Dulger, who drew plans for the addition which is to consist with the new auditorium and school.

Included in the plans are 36-foot by 36-foot classrooms, three restrooms, a 58x15 storage room, a 17x12 teachers' lounge, a 58x18 entrance way, parking facilities for an additional 32 automobiles, a heating system and janitor closet.

The building is being planned to meet present and future demands of increasing enrollment, and will bring to 16 the number of classrooms.

The one-story brick structure is to be the third in six years at the parish grounds. The school was erected in 1955 and the auditorium was built in 1958. Church services are held in the auditorium. Two other buildings are planned and include a convent and a church.

Worley-Willis Nuptials At Concordia Lutheran Church

Miss Beverly Willis, daughter of Mr. and Mrs. Larkin Willis, 1729 Edison avenue, and Eva Ray Worley, son of Mr. and Mrs. Clark Worley, 1625 Sycamore street, were married Saturday evening at Concordia Lutheran Church, Rev. Arvin Twietmeyer officiated at the double ring service.

Bouquets of white gladioli and Poinsettias, together with palms decorated the church which was lighted with candles in branched candelabra at the altar and in standards down the aisle.

The soloist, Henry Amelung, sang "O Perfect Love" and the Lord's Prayer, accompanied by Miss Carol Reeves.

Mr. Willis gave his daughter in marriage. They were escorted to the altar by a maid of honor, Miss Sharon McIlwain, and two bridesmaids, Miss Shirley Deason and Miss Annette Scantling.

The bride wore a gown of pure silk organza and Chantilly lace, classic in styling. It was styled with a scalloped, satin neckline and long wrist-pinned sleeves.

The bride was fitted and the full, circular skirt was worn over a hoop and detailed down the front with lace panels. The full, circular train, carried in length, was edged with lace. A jeweled coronet held in place

both sides with accented pleated net ruffles to the hem line cascading into a full circular train. A fingertip, hand held and scalloped veil was attached to a coronet of seed pearls and sequins.

The attendants were Miss Linda Matthei, a cousin of the bride, and Larry Williams, Miss Matthei chose a dress of white lace over pink taffeta with a fitted lace jacket worn over the strapless bodice.

Larry Williams and Tom Hutchings acted as ushers. The wedding reception was held at the church and the couple left later on a honeymoon trip. When they return they will be in Granite City. The bridegroom is employed in the St. Louis. The former Miss Richardson is a graduate of the Granite City high school.

Broiling slices of liver? Brush them with melted butter or margarine and cook close to the broiler. Turn and broil with butter again before finishing the broiling.

Miss Betty Jean Richardson.

Double-Ring Ceremony For LaRue-Baronica Wedding

Arrangements of white gladioli interspersed with greenery decorated the chancel of St. Joseph's Catholic Church, Saturday afternoon for the wedding of Miss Patricia LaRue, daughter of Mr. and Mrs. Walter LaRue, 2409 Benton street, and Robert Ray Baronica, 1625 Sycamore street, both of St. Louis.

The double-ring ceremony was performed at two o'clock by Rev. Charles P. Mulcrone.

The bride was escorted to the altar by her father who gave her in marriage. She wore a traditional floor length gown of white Chantilly lace and white tulle.

The bridegroom wore a tuxedo with white accessories, while the bridegroom's mother appeared in a petal pink and white ensemble. Both mothers wore corsages of white roses.

Freeding and during the ceremony, a program of wedding music was provided by Mrs. Clara Judd at the organ.

Approximately 100 guests attended the reception held at the Polish Hall, Madison between 10 and 11 o'clock the same evening. The former Miss Baronica attended St. Theresa's Catholic school, East St. Louis, and was graduated in May 1959.

She is presently employed at the First National Bank, St. Louis. The bridegroom is associated with Mercantile Trust Co., St. Louis.

Miss Laura June Clark And Cyril E. Zoerner Jr. Wed

Miss Laura June Clark and Cyril E. Zoerner Jr. were married Saturday morning at 11 o'clock at Sacred Heart Catholic Church by Rev. William Wand. A garden reception followed at the home of Mr. and Mrs. Robert Whelan, 2176 Harrison drive.

The bride, a daughter of Mr. and Mrs. Lewis K. Clark of Clinton, Ill., and a teacher of English and journalism at the Granite City high school, was given in marriage by her father.

A program of wedding music was furnished by Warren Simpkins, vocalist, who sang "O Perfect Love," "Ave Maria," "Piano Angelus," "O Lord I Am Not Worthy" and "On This Day," accompanied by Mrs. Margaret Crawshaw, organist. Pink and white gladioli and pom poms decorated the church.

The former Miss Clark wore a full length gown of nylon tulle over satin. The chapel train was bordered with tulle and decorated with lace and matching motifs trimmed the tulle over skirt and the bodice styled with a rounded neck edged with lace, and cap sleeves. A band of satin finished the bride's tulle veil. It was secured by a tulle of pearls and she held a bouquet of white gladioli and lilies of the valley.

Mrs. Pat Clark, a sister-in-

law of the bride, as matron of honor and another sister-in-law, Mrs. Edna Clark, and Miss Pat Passmore, bridesmaids, were attired in three shades of pink nylon acetate. Street-length, the skirts were flared at the back and straight in the front with sleeveless, fitted bodices featuring Grecian drapery at the back straight out neckline. Their bouquets were made up of tulle gladioli.

Mr. Zoerner Jr., son of Cyril E. Zoerner Sr. of Joliet, and the late Mrs. Zoerner, was attended by LeRoy Conrad of Lincoln, Ill., as best man, and James B. Clarke and Harry W. Clark of Rockford, Ill., brothers of the bride, as groomsmen. Robert Whelan and Frank Meyer of this city, served as ushers.

For her daughter's wedding, Mrs. Clark selected a lavender dress with white lace and accessories and a corsage of white cymidium orchids.

After a honeymoon trip to Florida, the newlyweds will attend Illinois State Normal University in Normal where they will complete master degrees this summer. Later they will be teaching at Lincoln College in Lincoln, Ill., but will devote the coming year to work on his doctorate.

Cooper-Ebbert Wedding At Wood River E&R Church

An out-of-town wedding of importance here was that taking place Saturday at First Evangelical United Brethren Church in Wood River when Miss Edith Anne Ebbert, a daughter of Mr. and Mrs. John E. Ebbert, 500 Bee Tree lane, East Alton, was married to Walter G. Cooper, a son of Mr. and Mrs. Merle Cooper, 208 Abbott street, Venice.

The Rev. Duane Mevis of Gibson City, Ill., performed the ceremony and a reception was given by the bride's parents afterward in the church social rooms.

Mrs. Duane Mevis was matron of honor, serving with two bridesmaids, Miss Katherine Ann Webb, a cousin of the bride, and Miss Betty Ann Moritz. Ralph Payne, the bridegroom's brother-in-law, was best man and John E. Ebbert Jr., brother of the bride, and Charles Moritz served as ushers.

The bride's gown was of silk organza with accents of Chantilly lace applied on the skirt neckline and back. The scooped neckline was scalloped and the pouf back skirt ended in a chapel train.

L. Wolf Co. Presented Medallion Home Award

Leo Wolf, operator of L. Wolf Construction Co., 2301 Adams street, was presented a plaque for outstanding participation in the Medallion Home program, sponsored by Illinois Power Co., during a banquet Thursday night attended by more than 120 builders, electrical contractors and realtors of Madison county.

The local office of the power firm, whose service area includes in addition to Granite City, Wood River, Edwardsville and Collinsville, was host of the affair held at Big Top Bowl.

Wolf was presented the "Outstanding Promotion Award" by Edward Applegate, supervisor of the promotion department.

Wolf's company has constructed 74 of 78 homes at Lueders Park Estate, Fehling road, under the program established five years ago. The award was the first to be presented by the local office of the power company.

The program is aimed at assuring adequate wiring and lighting standards and promoting electrical appliances and heating. The power company assists in planning wiring arrangements at no charge.

Bronze medallion symbols are placed on homes meeting requirements. Gold medallions signify the homes have electric heating. Wolf has built one gold medallion home.

During the event it was announced by E. G. Schmitt, manager of the Granite City service area, that because of the enthusiasm of local builders in the medallion program, the Granite City promotion department has received an achievement award in 1960.

It was also pointed out that in 1960, a total of 430 homes were started in the Granite City area, of which 106 received the medallion award.

During the same period, 293 medallions were awarded in territory served by the power company which comprises about one-fourth of the state.

West Pontoon Power Failure Saturday Night

A power failure at Illinois Power Company's West Pontoon substation left much of Granite City, including the city hall, in the dark for a short time Saturday night.

Bushings short-circuited on the meter tank at American Steel Foundries plant at 7:07 p.m. Saturday, and the substation power failed. Several local industries were without electricity and the circuits controlling the stoplights at 23rd and 27th street on Madison avenue were broken.

Repairs only maintenance crews were at work, the local plants were not greatly affected by the failure, which lasted about 35 minutes at the substation.

Car Hits Bicycle, Fleees

Attorney John Dufner, 2501 Cleveland blvd., notified police at 3:50 p.m. Saturday that his son had escaped injury on Fehling road when the boy's bicycle was struck in the rear by a 1955 blue and white auto that left the scene.

Nowell Darnier, chairman of a 1941 class reunion, has called a special meeting tomorrow at 7:30 p.m. at GCIES for the planning committee. The reunion will be held at 7 p.m. Saturday at the Depot.

House Authorizes Port Bill Changes

Five amendments to enlarge the scope of the 1959 bill creating the Tri-City Regional Port district were approved by the Illinois House of Representatives Monday in Springfield.

One important change added by amendment was exemption from taxation of property owned by the port authority. Others included enlargement of terminal facility definitions, limiting to 5% the amount of interest on revenue bonds issued by the district, authorization to lease port district property to private industry and sale of revenue bonds by the district in a manner deemed fit by the port authority board of directors.

Chdr. John L. Barron, general manager of the port district, said the authority presently is preparing to issue for sale its first revenue bonds in the amount of \$12-\$20 million.

The amendments which cleared the House were introduced by Rep. Lloyd "Curly" Harris, Rep. Ralph Smith and Rep. Paul Simon.

Relief Load Up In Nameoki Twp.

An increase in relief patronage in Nameoki township was reported this week at the office of Supervisor Harry Briggs.

The report for May showed 86 cases with 337 persons and costs of \$10,233, as compared to April figures of 79 cases, 305 individuals and costs of \$7686.

In May 1960, the totals were 65 cases with 170 persons and costs of \$2911.

Infant Boy Injures Forehead In Fall

Mark DeGonia, 11-month-old son of Mr. and Mrs. David DeGonia, 2114 Lee avenue, sustained a half-inch cut on his forehead when he fell at home Thursday. Six stitches were taken at 8 p.m. and he was released.

In another Thursday accident, Dorris T. Reynier Jr., 2587 Pontoon road, received x-rays after he was struck in the nose with a baseball at 7:30 p.m.

The amendments which cleared the House were introduced by Rep. Lloyd "Curly" Harris, Rep. Ralph Smith and Rep. Paul Simon.

Dots on this map represent only the bigger cities you'll be able to dial direct.

Starting This Fall...

Quad-Cities residents Will Be Able to Dial Their Own Long Distance Calls Direct to More Than 6,000 Cities

These customers will be able to dial direct to cities as far west as San Francisco, as far east as New York City and as far south as Houston. This amazing new Long Distance system is known as "Direct Distance Dialing"

Introduction of the nationwide dialing system is merely part of a \$319,000 service improvement program to bring our Quad-Cities customers the most up-to-date telephone service available.

Direct Distance Dialing calls are registered and timed by accurate, automatic equipment. Charges begin when your call is answered—end when you hang up.

There is no extra charge for this new service. Charges for calls which you dial direct will be the same as current charges on station-to-station Long Distance calls.

Before the new service is introduced, complete instructions will be sent to all Quad-Cities residents.

Parking Violation Warnings In Venice

A campaign against parking violations was launched last week by Venice police, simultaneously with a drive on delinquent city auto and truck licenses.

Red warning cards are being placed on all vehicles found parked in violation of city ordinances. Chief officer noted that thus far has been parking at a curb while facing in the wrong direction. After a brief warning period, arrests are planned.

Over 350 final notices on 1961-62 city licenses were issued during the first three days of the drive. The \$3 tags were due May 1, and arrests are scheduled after the final notices.

Former Resident Gets Navy Commission

Edwin B. Dorch, whose parents, Mr. and Mrs. Harry Dorch, lived at 3017 Myrtle avenue until the beginning of May, was recently commissioned a lieutenant in the Navy.

A former Granite City resident, Dorch received the promotion as part of a newly instituted Navy program of granting commissions to top chief petty officers with over 18 years of enlisted service.

He served in the Marine Corps during world war I and then spent 14 years as an enlisted man in the Navy before being commissioned. His parents now reside in Collinsville.

JUNIOR MISS VENICE was crowned Friday night at a Lee Park spring festival sponsored by the Lions and Junior Service clubs. Pictured on the decorated outdoor stage (left to right) are Joyce Daniels, first attendant; Cathy Yearman, Junior Miss Venice; Coyle Chappell, crownbearer; and Rose Ann Cooper, second attendant.

3000 Attend Graduation At GC High School

Nearly 3000 persons attended Granite City high school graduation Friday night at the school gymnasium, Principal Lawrence C. McCauley said.

The graduating class of 352 top seniors included 161 boys and 191 girls.

Motorist Is Charged

A charge of improper backing was placed against Patricia Robinson, 22, of 2809 Marshall avenue, who Friday morning struck a parked car and bent the post of a parking meter while backing into a parking place in the 3300 block of 19th street. She posted her driver's license as bond. Police said the owner of the parked car was Magdalene Cole, 2112 Collinsville avenue, Madison.

The birthday of Skipper Mike Petras Jr. was celebrated Wednesday by Sea Scout Ship 105.

Projects for raising money were discussed. The boys decided to have a car wash and to make address books and shadow boxes.

Refreshments were served by Mrs. Petras to Kim Kart, John Cravshaw, Larry Stone, Robert Davis, Ronnie Millon and Eddie Meyers. Guests were Mrs. Claude Stone and Eddie Petras.

Mr. and Mrs. Arvil Taylor and children, Arvil, Kevin and Tina, had as guests last week Mr. and Mrs. Lawrence Taylor and son of Elsinoe, Mo.

Miss Yearman Crowned During Venice Festival

Cathy Yearman, 13, daughter of Mr. and Mrs. Albert Yearman, 205 Abbott street, Venice, was crowned as the first "Junior Miss Venice" in ceremonies Friday night at Lee Park.

Plans for a library tour were dropped due to the size of the group, which was divided into two units for the program. The younger group heard three children's stories, while the older boys and girls were told of Harriet Tubman, a slave, and operation of the "underground railway" during the Civil War.

Records and films are to be added to the stories during the series, which will be held at 1 p.m. each Tuesday through June and July. Children in kindergarten and the first four grades are attending.

First attendant was Joyce Daniels, 14, daughter of Mr. and Mrs. Sam Daniels, 504 Washington avenue, and second attendant was Roseann Cooper, 14, daughter of Mr. and Mrs. James Cooper, 72 Venice Homes.

Other contestants were Diane Wilson, Margaret Horstberger, Catherine Levy, Diane Weber and Ellen McKinney. Crownbearer was Gayle Chapel, four-year-old daughter of Mr. and Mrs. Floyd Chappell, 121 Graniteville street.

Lake School Students' Paintings On Display

Thirty-three abstract water color paintings by sixth grade students at Lake elementary school were on display at the Granite City public library Friday afternoon.

Done as an art work project under the direction of teacher Edward Meng, the paintings are the students' interpretations of an original abstract painting done by Meng.

Four of the paintings, those of Donald Bode, Raymond O'Bar, Paula Beck and Barbara Sedars, have been selected for display at the Illinois state fair later this summer by Eugene Alaski, art director for the Granite City public schools.

The paintings will remain on display through July 1.

QUILTING CLUB MEETS: The Tri-City Park Quilting club met Wednesday at the home of Mrs. Catherine Orris, 1233 Meridian street.

Breakfast was served to the following members: Mesdames Mildred Shifter, Elizabeth Such, Bernice Kurtz, Catherine Measli and Catherine Orris. Games were played and several prizes were awarded. The next hosts will be Mrs. Stella Krusec, 2007 Thirteenth street.

MADISON STORY HOUR program for youngsters of the kindergarten and first four grades attracted this gathering of 105, showing listening to a story read by Mrs. Catherine Cox, librarian. The meeting started a weekly series which will continue until July 25.

Over 100 Attending Madison Story Hour

An unexpectedly large turnout of 105 youngsters are taking part in the "story hour" program at the Madison public library.

Plans for a library tour were dropped due to the size of the group, which was divided into two units for the program. The younger group heard three children's stories, while the older boys and girls were told of Harriet Tubman, a slave, and operation of the "underground railway" during the Civil War.

Records and films are to be added to the stories during the series, which will be held at 1 p.m. each Tuesday through June and July. Children in kindergarten and the first four grades are attending.

First attendant was Joyce Daniels, 14, daughter of Mr. and Mrs. Sam Daniels, 504 Washington avenue, and second attendant was Roseann Cooper, 14, daughter of Mr. and Mrs. James Cooper, 72 Venice Homes.

Other contestants were Diane Wilson, Margaret Horstberger, Catherine Levy, Diane Weber and Ellen McKinney. Crownbearer was Gayle Chapel, four-year-old daughter of Mr. and Mrs. Floyd Chappell, 121 Graniteville street.

FAREWELL PARTY: A farewell party was given Saturday night for Mr. and Mrs. Charles Ross, who are leaving for St. Cloud, Fla., on Thursday, at the home of Mr. and Mrs. George Gagus, 4339 Lake drive.

A large decorated cake centered the table. Forty friends and relatives were present and refreshments were served. The couple received many gifts.

Brownie Troop 121 held an overnight campout which was moved inside because of the weather Wednesday night and part of Thursday, at the home of the leader, Mrs. Ethel Bringer, assisted by Mrs. Evelyn Bringer.

The girls played games, sang and told stories. Present were Mrs. Mimi Midgett, Darla Sneed, Sally Getteman, Rita Krause, Pamela Bringer and Sandy Deatherage.

Mr. and Mrs. Jacob Getteman and children, Alan and Sally, Mr. and Mrs. Earl Young and Mrs. Ethel Archer of St. Louis were dinner guests at the home of Mrs. Mary Cook of St. Louis Saturday night. The evening was spent playing cards.

Mr. and Mrs. James Hoshire, 3829 Lake street, returned Friday from a week's vacation at Ava, Ill., visiting Carol Hoshire.

Speeding Charge

A charge of speeding was placed against L. E. Ciano, 20, of 1230 Robin street, Venice, who was arrested Friday by Granite City police and posted \$11 cash bail.

Confraternity Class Graduates Yesterday

A Confraternity of Christian Doctrine graduation class of 35 graduates graduated yesterday afternoon by Bishop William A. O'Connor of Springfield at services at Sacred Heart Catholic Church.

The group attended 30 weekly sessions at the church to prepare for teaching children and young people. Bishop O'Connor addressed the group on the role of the teacher.

WSCS DISCUSSION: Mrs. Nova Sanders was hostess to the Women's Society of Christian Service in her home Thursday evening. The society is a group of women from the First Methodist Church that meets monthly at various homes and at the church.

Topic for the evening was "Give With Joy." Those taking part in the discussion following the topic were Mrs. Estelle McBlack, Mrs. Belle Woodring, Mrs. Mayne Vallow, Mrs. Avis Richardson and Mrs. Estelle McBlack.

BIBLE SCHOOL BEGINS

Vacation Bible school of the First Methodist Church began this morning. Mrs. Estelle McBlack will be in charge of the two-week school, with various members assisting.

Rev. Russell Oden, pastor of the church, will meet each day with the group. The meetings will be held Monday through Friday for the two weeks for children of the beginner department through the teenage group.

The Quilting Society gathered at the First Methodist Church Thursday morning to hold a day of quilting. A sack lunch was enjoyed during the noon hour by Mrs. Belle Woodring, Mrs. Corneille Horner, Mrs. Minnie Martin, Mrs. Alma Capehart, Mrs. Helen Cook, Mrs. Wilma Sackett, Mrs. Nova Sanders and Mrs. Ann Ritter. Quilting was resumed in the afternoon.

Mr. and Mrs. Carl Townzen, 1920 Harris street, returned to their home Saturday evening after spending a week's vacation boating and fishing at Crab Orchard Lake in Southern Illinois and Lake Wapokopeta in Missouri.

Robert Zieskiewicz, son of Mr. and Mrs. Zieskiewicz, East St. Louis, will enter St. Louis U. high school in the fall. He graduated from St. Adalbert's school. They are former residents of Madison.

LUNCHEON FOR NAOMI RUTH CLASS

The Naomi Ruth Bible class of Trinity Methodist Church held its June meeting Thursday at the church. A covered dish luncheon was held, followed by a business session. With Mrs. Ann Dowdy, newly-elected president, in charge.

The meeting opened with the class singing, "Stepping in the Light," the class song, accompanied by Mrs. Magdalene Dick at the piano. Scripture was given by Mrs. Jessie Jennings and Mrs. Florence Turner.

Birthday of Mrs. Virgie Beasley and Laurie Lee Bauer were celebrated. The flower fund secretary, Mrs. Jane Shafer, reported that the class had sent 88 cards besides flowers and plants to sick and bereaved families since the first of the year. Plans were made to hold a class picnic at the home of Mrs. Jean Johnson, 2017 Clark avenue, July 13, and Mrs. Johnson is to be in charge of recreation for the day.

The roll call was answered by the above mentioned and Mesdames Blanche Lindsey, Lena McIntroy, Mattie Gruber, Ona Jole and three visitors, Billy Thayer, Cindy Herman and Laurie Lee Bauer. A Bible study was held following the meeting with the teacher, Mrs. Dick. Mrs. Dowdy closed the meeting with prayer.
